Manufacturer's Declaration

We do hereby declare that all **Palziv North America products, (both Fuzion and Vizion Cross-linked Polyethylene Foams)** pass the RoHS requirements for use in E&E applications. They fully comply with Directive 2002/95/EC on the Restriction of the Use of certain Hazardous Substances in Electrical and Electronic Equipment, and the recast RoHS 2011/65/EC, and its amendments – Directive 2015/863, - effective July 2019

In particular:

1. None of the color masterbatches used at Palziv contains Lead, Chromium, Cadmium, Mercury, PBB, PBDE or Hexavalent Chromium.
2. No Phthalate plasticizers are present in any of the foams (i.e. DEHP, BBP, DBP, DIBP – referring to the an upcoming 2019 Phthalate ban)

Due to the variety of Palziv products, there is no RoHS statement for specific products.

A handwritten signature in blue ink, appearing to read "Gil Cimering".
